

ELKS READY FOR  
MINSTREL SHOW

Big Program Of Fun and Music  
To-Night and Friday Night  
At Opera House

Remember that the Elks' minstrel show will be presented at the Grand Opera House to-night and Friday night. If it is impossible for you to attend to-night's performance don't fail to be there Friday night.

When the curtain raises on the opening first part of the Elks' minstrel show at the Grand Opera House to-night, there will be assembled in the half circle the greatest array of fun makers, balladists and musicians, ever gathered from the ranks of local talent. Everything is ready for the show. Full dress rehearsal with orchestra was held Wednesday night and went through in a faultless manner. The performance will be given Thursday and Friday nights. Don't miss it!

Miller and Draper, under whose direction the show is being conducted, put on a show in Fond du Lac last week. Read what the Daily Commonwealth said about it:

A riot of fun and melody prevailed at the Henry Boyle theater Friday evening upon the occasion of the B. P. O. Elks minstrel show. For two hours, the audience that taxed the theater to capacity, alternated between laughing and applauding.

For let it be stated with emphasis—the minstrels were just about the last word in Fond du Lac amateur events, in fact, it was generally conceded that few professional troupes could boast of having anything on the stars of Fond du Lac Elksdom.

More than ordinary talent was uncovered by the minstrel effort. The cabaret performance, a year ago set a standard for future events, but the melange of fun and music Friday exceeded the excellence of the 1914 event. The jokes, usually with a local tinge, were new and each shaft of wit drew shouts of laughter. The rags and ballads were up to the minute and given with effect. The chorus support could not have been improved upon. There was a snap and precision that was pleasing and effective.

For a half hour before the curtain went up, there was a steady stream of people passing through the lobby into the theater. Sheboygan and Portland streets were packed deep with automobiles. It was a gala night and Fond du Lac society turned out en masse.

When the curtain rose on the first part, the entire company of comedians, balladists and chorus men were seated in the Temple of Mirth and Melody. The stage setting was rich and effective. The end men wore classy costumes and appeared in blackface. The balladists and several chorus men appeared in evening dress and were seated in a semi circle above the stage, screening the orchestra while on a higher tier of seats at the rear were seated the members of the chorus.

In every number, ballad or rag, the audience showed appreciation by demanding encores, in some instances, applauding until four and five responses had been made.

The second part opened with Herbert Leohr and George Wells in the screamingly funny novelty "Ashcan." This was without any exception the most side splitting feature of evening. Leohr was garbed as a "boob" and he interpreted the character with such skill that he was accorded the honors of the evening. The skit was from the pen of George Wells and was brimming over with fun.

"Fond du Lac in the Year 2000 A. D." caused many sideaches. F. R. Duffy as Evelyn Templeton, candidate for mayor, H. M. Fellenz as Honora Reilly, political boss, E. E. Kremer as Clarence Reilly and P. H. McCumber as Reginald Remington, the wronged man, were splendid in their respective roles.

STRUCK BY TRAIN;  
ESCAPES INJURY

While driving home from this city late last Thursday afternoon, William Bramstadt, a town of Crescent farmer, experienced a narrow escape from serious injury and perhaps instant death when the east bound Soo line passenger train struck his team and wagon. The accident occurred at the railway crossing about two miles west of here. Mr. Bramstadt did not observe the approaching train until it was too late to clear the crossing. The wagon and contents were badly damaged and Mr. Bramstadt was thrown a distance of several yards, but was only slightly bruised. One of the horses was so badly hurt that it was necessary to end its suffering with a bullet.

INDIANS FIGHT  
ALLOTMENT LIST

Indians living on the Odanah reservation plan to make a fight against the allotment that is being made under the new Wooster allotment list states the Ashland Press.

It was originally intended to give each of the allottees 80 acres of land, but upon investigation it was found that there were only 32,000 acres left on the reservation for allotment among 515 applicants. It was then decided to divide the land equally giving each one 52.52 acres.

The Indians have now risen in anger and are demanding their full rights according to the original agreement. It is maintained by the Indians that the act passed by congress provided that the allotment should be made according to provisions made in the original treaty of 1854 under which each allottee was to receive 80 acres.

As there has been no act passed by congress modifying or nullifying these provisions the allottees are now demanding that the treaty provisions be fully complied with. The fight will be carried on through Attorney John B. Henderson of Washington, D. C.

MARINETTE "SPUD"  
EXHIBIT PROGRAM

Many Prominent Potato Experts To Speak At State Convention

Carl Vrooman, assistant secretary of the United States Department of Agriculture will be one of the speakers at the Wisconsin potato growers' convention in Marinette November 17-19, which promises to be one of the most important potato gatherings ever held in the Middle West.

The program includes addresses by several other well-known agricultural authorities and potato growing and marketing experts. Among those who have accepted important places upon the program are, E. S. Brigham and C. P. Norgard, commissioners of Agriculture, in Vermont and Wisconsin, Prof. C. L. Fitch of Iowa State college, E. C. Brown, one of Minnesota's leading growers, and H. J. Wheeler, formerly director of the Rhode Island experiment station.

J. G. Milward of the University of Wisconsin who is secretary of the Wisconsin Potato Growers' association, announces this as the program of the convention:

Nov. 17 (Afternoon)—Addresses, Mayor Joseph Fisher, Marinette; J. W. Hicks, president, Wisconsin Potato Growers' association; Commissioner E. S. Brigham, Vermont; Congressman E. E. Browne, Waupaca; and "Potatoes and Community Finances," George T. Vorland, Colfax. (Evening)—"Potatoes as Food," Mrs. Nellie Kedzie Jones, Auburndale; "The Value of School Contest Work to School and Community," Miss Ellen McDonald, superintendent of schools, Oconto county; and "Standardizing Wisconsin Seeds," R. A. Moore, University of Wisconsin.

Nov. 18 (forenoon)—"Potato Diseases—Present Economic Relations," Dr. L. R. Jones, plant pathologist, College of Agriculture, Madison; "Handling the Late Blight Situation," R. E. Vaughan, Agricultural Experiment Station; "Certified Wisconsin Seed Potatoes Defined," J. W. Brann, Potato Inspection Service; and "Potato Disease Studies in Iowa," C. L. Fitch, Iowa State college. (Afternoon)—Address, Commissioner C. P. Norgard; "Market Stock Defined," C. E. Brown, Elk River, Minn.; "The Situation at Wisconsin Loading Stations," Wisconsin potato loaders and shippers. (Evening)—Address, Carl Vrooman assistant secretary of the United States Department of Agriculture.

Nov. 19 (forenoon)—"The Rural New Yorker and Green Mountain Varieties," C. W. Ward, Michigan College of Agriculture; "Standardizing the Rural New Yorker and Green Mountain Varieties," Commissioner E. S. Brigham and Wisconsin potato growers; "Eastern Methods in Commercial Potato Growing," Dr. H. J. Wheeler, Boston; and "Standardizing Wisconsin Fair Premium Lists," Arthur Taylor, Rhinelander, vice-president, Wisconsin Fair association.

LADY ORCHESTRA LEADER  
Miss Mabelle Riese of Milwaukee arrived in the city Saturday to accept a position as leader of the new Bijou orchestra. Miss Riese is a violinist of exceptional talent and has a high standing among Wisconsin musicians.

Mr. and Mrs. Clarence Kirk, Mrs. Fred Perron and Miss Alice Schlemm made an automobile trip to Tomahawk and return Sunday.

SPLENDID DISPLAY AT  
ONEIDA POTATO SHOW

(Contributed By W. D. Juday)

The second Annual Potato Show held at the Armory in this city, Wednesday, was even more than Oneida county people had hoped. The quality of potatoes exhibited was a marked improvement over last year. The Green Mountain class in which there were over thirty entries was of especial merit.

Prof. A. L. Stone of Madison, who did the judging, is of the opinion that it was the finest exhibit of Green Mountains ever assembled anywhere. In this class, Rasmus Johnson of Enterprise won first with E. M. DeLong of Woodruff a close second.

F. S. Campbell, our big grower at Three Lakes, won first in Rurals, first in Cobblers, second in Triumphs and fourth in Green Mountains. F. F. Boehm of the town of Pelican won the Grand Sweep Stakes prize with his Triumphs as well as winning first in the Triumph Class. Art Blumenstein of Woodruff carried away the silver cup on Early Rose, Willis Jewell of Crescent won first in Early Ohio and Emil Hack of Pelican won first in Burbanks.

The attendance during the whole day was large. At all times there was a crowd in the Armory and people were continually passing in and out the building. There is no doubt about our County Potato Show being an annual affair now. Its worth is recognized by all who attend and its permanence is established.

300 BOOSTERS ATTEND  
MEETING AT ARMORY

About three hundred people, mostly Oneida county farmers and business men, attended the big booster meeting at the Armory Wednesday night, called by Secretary E. O. Barstow of the Rhinelander Advancement association. The object of the meeting was to promote a firmer relation between the farmer and townsman, both along business and social lines. That the gathering accomplished its purpose in this respect was evidenced by the large attendance and enthusiasm manifested by everyone present.

Among the speakers were Ford Allen, of the Chicago & Northwestern Railway company, Prof. A. L. Stone of Wisconsin University, E. L. Luther, state supervisor of agricultural representatives, F. S. Campbell of Three Lakes and Secretary Barstow. Mr. Allen spoke on live stock and dairying. Prof. Stone on grains, Mr. Luther and Mr. Campbell gave general talks to the farmers, and Mr. Barstow told of what the Advancement Association had accomplished and what it hoped to do in the future and urged that all citizens be loyal and boost for the progress and prosperity of their community.

St. Augustine's Guild served lunch in the form of baked potatoes, sandwiches and coffee. Cigars were distributed to all who used the weed. The meeting proved so successful that it is hoped to hold another at some near date.

CHIEF FORBIDS  
WINDOW SOAPING

Soaping windows on Halloween will not be tolerated in this city according to the declaration of Chief of Police Straub. Young mischief makers who indulge in this time honored pastime next Saturday or Sunday night will come to grief according to the chief.

"There will be no soaping of windows in Rhinelander this Halloween if the police department can help it," said Chief Straub Wednesday. "This practice of the girls and boys of smearing windows with soap is very annoying and must be stopped."

Anyone caught in the soaping act will be placed under arrest and brought before the court.

Business men and citizens in general will be glad to learn of the chief's view in this matter as it will do much toward checking a vexing nuisance.

WILL PLAY MINOQUA  
The Tomahawk high school football team will not meet the Rhinelander high here next Saturday, as advertised, owing to the fact that the Tomahawk team has been barred from playing for the rest of the year for violation of school rules. Rhinelander has secured a game with the Minoqua high for that day.

Earl Schilling and party of Minoqua came down by auto Sunday. On their way to Merrill they had the misfortune to break down and were obliged to go back to Minoqua by rail from this city.

FIRST CANTON  
BALL A SUCCESS

The first annual ball held by Rhinelander Canton No. 8 I. O. O. F. at the Armory, Thursday evening, was a grand success, socially and financially. Over three hundred people were in attendance, and from all reports everybody enjoyed a pleasant time.

The committee in charge, Lieut. Zander, Ensign Hinners and Chavallier Wagner, deserve all credit for the artistic decoration of the hall. The grand opening of the ball by the Canton was a special feature of the evening. Appearing in full dress uniform promptly at 9:30 the Chevalliers with Captain Schauder and Lieutenant Zander in command marched through the hall in single file, formed three and finally made halt in Canton front before the bandstand in the center of the hall.

While the orchestra played "America" the colors were unfurled and the stars and stripes deposited in the socket, amid the cheers and applause of the audience. The floor soon filled with the best dancers of Rhinelander and the enjoyable pastime was kept up until 2 o'clock in the morning. Music was furnished by the Majestic orchestra and was first class.

HIRST INSPECTS  
COUNTY HIGHWAYS

A. R. Hirst, chief highway engineer of Wisconsin, made an inspection of Oneida county roads within the last week in company with F. E. Parker, county highway commissioner, F. M. Sargeant, divisional highway engineer, and J. M. Baker. Mr. Hirst seemed to be favorably impressed with the county's system of highways.

Madison, Wis., Oct. 27.—Roads are much better in northern Wisconsin than in the southern sections of the state according to Chief Engineer A. R. Hirst, who has just returned from a two weeks' inspection tour in the upper region. In Ashland county, he said, in a single stretch of sixty-five miles of road every foot of which automobiles may be safely driven at high speed. Other long stretches, he said, are found in various of the northern counties, eight, ten and even twenty miles of finished road without a break.

This condition, Mr. Hirst said, is due to the fact that many of the northern counties have adopted the county system in place of the town system. These counties are Douglas, Bayfield, Sawyer, Ashland, Iron, Vilas, Oneida, Florence, Wood and Chippewa. Several others are to adopt the system next year.

BOY LOSES ARM  
IN GUN ACCIDENT

Amputation of his left arm at the shoulder joint was necessary in the case of Charles Belleam, a 13 year old Prentice boy, who was brought to St. Mary's hospital in this city Monday suffering from gun shot wounds. Young Belleam was accidentally shot while hunting with a boy friend near Prentice. It seems he grabbed the gun, which was loaded with buckshot, by the muzzle and in some unexplainable manner the weapon discharged, the shot entering his left arm near the shoulder. The other boy, who was standing near Belleam, was also struck by some of the shots and painfully injured.

Dr. Garner performed the amputation of the unfortunate boy's arm. Although he had weakened considerably from loss of blood he stood the ordeal well and latest reports are encouraging for his recovery.

This is the first hunting accident of a serious nature to occur in this vicinity this season.

## BISHOP 15 YEARS

On Tuesday, Nov. 9, in Fond du Lac, there will be a celebration of the 15th anniversary of the consecration of the Rt. Rev. Reginald Heber Weller D. D. There will be high mass in the morning, a reception in the afternoon and a banquet at night. It is hoped that there will be a large attendance of clergy and laity, men and women. There will be a purse presented to the Bishop. Subscriptions for this purpose may be handed to Father Gray or sent direct to Mr. Isaac Witter of Grand Rapids.

Miss Anna Madden, who has been the guest of her sister, Mrs. Margaret Weisen, left Monday for Fox Lake where she will make a visit before returning to Minneapolis.

STATE COMPLETES  
INCOME TAX ROLL

Corporations Of Oneida County  
Are Assessed Sum Of  
\$13,679.67

\$13,679.67 is the amount of income tax assessed against corporations in Oneida county for 1915, according to the announcement of the state tax commission.

There has been a slight falling off in the income tax assessed against corporations for the year 1915. The total levies against the various counties within their limits this year aggregate \$2,459,636.29 compared with a levy of \$2,710,700.31 for the year 1914. This is a decrease of approximately \$250,000 on the income corporation tax alone.

State income taxes are collected from two sources—firms and individuals, and corporations. The tax against firms and individuals is assessed by the local income tax assessor and certified to the county clerk of the county. The income tax against corporations is assessed by the state tax commission and certified to the respective county clerks. The income tax rolls for the corporations were sent by the state tax commission to the county clerks of the state Saturday.

It now seems probable that there will be a slight falling off in the grand total income tax to be assessed this year. Last year the total income tax assessed was \$4,140,571.86, of which approximately \$1,400,000 was collected from individuals. With a slight falling off in the amount to be collected from corporations it is probable there will be a slight decrease in the total assessment.

The rate of tax against corporations varies with the income from 2 to 6 per cent. Following are the amounts which have been assessed as income taxes against corporations since the law was enacted:

1912	\$2,921,453.42
1913	2,793,181.88
1914	2,710,716.51
1915	2,459,636.29

## AT THE BIJOU

Large crowds continue to patronize the Bijou nightly and the splendid feature pictures being shown there are eliciting much favorable comment. For the coming week, Manager Blackhurst has some classy productions booked, including William Lackaye in "The Pit" for next Tuesday night.

This is a Wall street story, touch-

Scenes from "The Pit" showing the stock market, and through it all runs an interesting romance. In this picture Lackaye appears at his best; it is conceded to be his greatest stage triumph. Wild scenes on the stock exchange thrill the audience and give one an idea of the reckless manner in which plungers operate; fortunes are made and lost in a twinkling. Don't miss this great production.

## FINED FOR SLANDER

In Judge Smith's court Thursday afternoon last, O. Stapleford was found guilty of slander and was fined \$15 and costs. On payment of costs the fine was remitted. Stapleford was ordered on complaint of Rev. Fr. A. M. Wuchter, former pastor of St. Mary's church.

John Antonink was arrested Wednesday night by Officer O'Brien for totting a loaded revolver. In municipal court today he pleaded guilty to the charge of carrying concealed weapons and parted with \$25 and costs.

Mrs. James Whalen was pleasantly surprised by a number of friends Wednesday afternoon.

Senator W. T. Stevens is still confined to his home and continues to improve slowly. The nature of his illness is typhoid fever.

## This Karo Premium Griddle

**LABELS** from 50c worth of Karo (blue or red) and 85c brings you fine 10 1/2 inch aluminum griddle by parcels post prepaid. This Karo griddle, light and easy to handle, bright as a new dollar and needs no greasing, therefore no smoke. Heats uniformly all over, is very economical, will not rust, is easy to keep clean—and **MAKES THE FINEST GRIDDLE CAKES YOUR MEN FOLKS EVER TASTED.**

This griddle retails regularly at \$2.25. Send your order for the Karo Aluminum Griddle today. This offer will prove popular. Place your order promptly.

## The Men of America Know Pancakes and They Know KARO

At great expense we are seeking to place a Karo Aluminum Griddle in the homes of all Karo users, so that Karo—the famous spread for griddle cakes and waffles—may be served on the most deliciously baked cakes that can be made.

Our Corn Products Cook Book and Preserving Book—illustrated in full colors—prepared by America's foremost culinary authorities will be sent free with each griddle, or without the griddle on request.

Corn Products Refining Company  
New York, N.Y.  
Dept. L. X. P. O. Box 151

## EVENTS OF WEEK IN NEARBY TOWNS

### Eagle River—

The city is to have a new Opera house. N. M. Emmons will erect the building, which will be up-to-date in every detail, and equipped on an equal with theaters in towns much larger than Eagle River. It will be 40x88 with frontage on Main street.

### Iron River, Wis.—

Alice Poirier, aged about ten years, lost two fingers on her left hand and received a number of other serious wounds last Friday. She and some of her companions entered a vacant house and found some rifle ammunition and a box of dynamite caps. The children decided to shoot off a dynamite cap, and the little Poirier girl held one in her hand while a boy lighted the explosive with a match. The explosion tore two of the child's fingers off and lacerated her arm and leg badly. The boy escaped with minor injuries.

### Ironwood—

Another new mine is to be opened up near Wakefield in the near future, and the evidences are that by next spring it will take a place among the big shippers of the range. Coates & Tweed, lessees of the eighty acres lying west of the Wakefield mine and known as the Hanousek property, have decided to open up this new mine at once and active arrangements are now going on with this end in view. Extensive diamond drilling has been done on this property during the past two years and a large body of high grade ore has been proven up lying comparatively near the surface, as is the case in the Wakefield mine.

### Washburn—

A car lot of fine Holstein cattle passed through this city during the past week on the way to Bayfield

where they were distributed to the farmers of the north end of the county. A large number of cattle went to the Cornucopia district. The cattle were purchased through the First National Bank of Bayfield on what is known as the "Iron River plan" whereby the farmers pay for the cattle from the proceeds of the milk.

The banks in Washburn have purchased a large number of cattle for the farmers of this district on the same plan and many of the farmers of this district are now building up fine herds.

Hunters ran across the decomposed remains of a dead man near Tigerton Tuesday. They notified the authorities at Tigerton and an inquest was held. Only the skeleton remained and nothing was found in the clothing of the dead man, by which it was possible to establish his identity. A pocketbook containing a few dollars in change was found in the man's trousers and by the side of him lay a badly rusted revolver with five shells, one of which was empty. These two facts form the basis for a theory that robbery was not at the bottom of the man's death, but that it was a case of suicide.

Louis and Charles Harban, bachelors, who have a farm near Ladysmith, are looking for a home. Monday afternoon Charles secured twenty pounds of dynamite, which he placed near the kitchen stove so that the heat would remove the dampness of the explosive. A little pile of dynamite caps was also placed on the floor nearby. Charles and his brother then went to work a few rods from the house. Suddenly a terrific explosion occurred and the two stunned brothers saw their house flying in every direction. The four walls were blown out and part of the roof had disappeared while the interior was a complete wreck.

Fred F. Ramsdell of this city has invented an auto-sled. That this is not merely a device which only merits a place in the dreamy mind of an inventor, but a device which is practical, applicable in every way, is attested to by the profusion of letters and offers which come to Mr. Ramsdell daily from men who wish to buy the patent outright or do the manufacturing of the runners. Mr. Ramsdell's claims do not necessarily rest on his own assertions or convictions for he prizes a letter from the great Henry Ford himself, in which Mr. Ford states that he believes it to be a splendid invention and should prove decidedly useful for the Northern states and Canada.

**HOW CATARRH IS CONTRACTED**  
Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

**DR. L. M. MARTIN DROPS DEAD**  
Dr. Ira M. Martin, eye and ear specialist of Green Bay, dropped dead on his farm on the Oneida reservation Sunday afternoon. Heart failure was the cause of death. Dr. Martin has had several Rhinelander people numbered among his patients.

**FOR A MUDDY COMPLEXION**  
Take Chamberlain's Tablets and adopt a diet of vegetables and cereals. Take outdoor exercise daily and your complexion will be greatly improved within a few months. Try it. Obtainable everywhere.

**TRIPOLI**  
(Tri-County Union High School)  
The farm products exhibit held at the high school, Oct. 8 brought out a good display of fruits, grains, and vegetables in spite of the early frosts. County Agent, A. H. Cole, was present and talked on "Potatoes" and Mr. Clark talked on "The School as a Social Center." Mr. J. L. Bewick, State Organizer of Boys' and Girls' Clubs, was present and talked on the organization of Clubs here. Mr. Robinson will organize these clubs in the near future.

The Lowry-Lawrence entertainers gave the first number of the lecture course October 15. The entertainment was excellent, and was also a financial success.

The Free Traveling Library sent out by the State Library Commission has been installed and is in charge of Mr. Robinson. These books are at the disposal of the Tri-County district.

Two new library tables and several new chairs were installed within the last two weeks. "We're growing."

The domestic science girls are enjoying work in dietetics this week. They make out dietaries, then cook and serve them.

The physics class has taken up motion for laboratory work this week.

The base ball game between the high school and grades proved to be a very interesting one. The score was 9 to 4 in favor of the high school.

The class in farm mechanics is making a hot-bed to be used next spring.

The literary society will hold its regular meeting Friday. The regular program will be carried out. The subject for debate is "Resolved that the exclusion of the Chinese and Japanese from the United States is justifiable."

The first six weeks examinations were held last week.

### HAZELHURST

(From Minnecqua Times)  
The M. E. Church at Hazelhurst is to undergo considerable repairs during the next week. A subscription list is being handed around to procure the necessary funds. J. A. Schwartz, the local contractor, has agreed to donate ten dollars in cash and to deliver to the church grounds enough bricks with which to build the foundation.

The work of having the stone work of the basement of the school building has been completed by Henry Kuepper Sr. and crew. The carpenters started their work on the building Monday. It is expected that the first floor will be laid by Wednesday when the masons will finish the inside of the wall. Mr. Schwartz says that with favorable weather the building will surely be ready for occupancy by the first of the year.

The district school board at Hazelhurst contracted with the American Furnace Foundry Co. of Bloomington, Ill., for a complete heating system for the school under construction. The furnace is to be installed by January 1st and will cost between eight and nine hundred dollars when completed. This will include a Sneed toilet system.

J. G. Schwartz took the contract of putting in the underground brick-work for the furnace. The furnace is similar to the one now in use at the Minnecqua High school.

The brick and cement work of the old Yawkey saw mill is being removed this week by a crew of men under the direction of John Schwartz. The old timbers are being removed and burned and the log slide is being taken away from the lake shore. The removal of this old land mark will add greatly to the already beautiful shores of Lake Katharine.

### A WAY OUT

A Resident of Rhinelander Shows the Way  
There's one effective way to relieve kidney backache.

Liniment and plasters may relieve it. But they seldom reach the cause. Backache is cause to suspect the kidneys.

Doan's Kidney Pills are for disordered kidneys. Rhinelander people back them up.

Read a case of it.  
Mrs. J. Standering, 727 Arbutus St., Rhinelander, says: "I was bothered by retention of the kidney secretions and once I had to call in a physician. Finally I had the good fortune to learn of Doan's Kidney Pills and they soon gave me relief. After I took a couple of boxes, my kidneys became normal and I had no further need of a kidney medicine until two years ago. Then trouble with my kidneys set in again and they acted too often. I again took Doan's Kidney Pills and they gave me quick relief."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Standering had. Foster-McLure Co., Props., Buffalo, N. Y.

**ANOTHER BIG CABBAGE HEAD**  
One of the largest cabbages ever grown in Oneida county attracted great attention at the Markham & Parker store last Saturday. This cabbage tipped the scales at 24 pounds and was raised on the farm of William Beyers one of the county's successful soil tillers. Mr. Beyers said that he learned the secret of growing big cabbages from one of the Kaiser's gardeners in Germany many years ago.

### BRONCHIAL GOLD

Yields To Delicious Vinol

Philadelphia, Pa.—"Last Fall I was troubled with a very severe bronchial cold, headaches, backache, and sick to my stomach. I was so bad I became alarmed and tried several medicines, also a doctor, but did not get any relief. A friend asked me to try Vinol and it brought the relief which I craved, so now I am enjoying perfect health."

JACK C. SINGLETON.  
We guarantee Vinol, our delicious cod liver and iron tonic without oil, for chronic coughs, colds and bronchitis.

## AT THE MAJESTIC

"The best ever" is the general verdict of the patrons in attendance at the nightly programs at the Majestic theater. Mr. Zander is sparing no expense in presenting the strongest pictures possible to obtain. The excellent music by the Majestic orchestra is another feature at every show.

"Sealed Valley," a five act motion picture production, based on the book of same name by Hurlburt Footner, and which comes to the Majestic theater on Saturday, October 30, is the next release of the Metro Pictures Corporation and will be the debut on that program of the magnificent dramatic actress, Dorothy Donnelly, late star of "Madame X."

"Sealed Valley" is in five acts, three hundred scenes and was produced under the able direction of Lawrence B. McGill for the Metro concern.

### HIBBING SALOONS TO CLOSE

All the saloons in Hibbing and Chisholm, Minn., must get out of business by Nov. 1st. The long expected governmental order forbidding the sale of intoxicating liquors in both cities because they are located within Indian territory, according to the Indian treaty of 1855, was delivered on Wednesday by Chief Special Officer Harry A. Larson of the Washington Bureau of Indian Affairs. All saloons in both cities were notified during the day. Hibbing has 70 saloons and Chisholm 30.

### DROWNED IN MERCER LAKE

John Kakola, a Finnish lumberjack was drowned in Echo lake at Mercer on Monday. He and a companion were out in the lake in a rowboat and in some manner the boat capsized; Kakola, being unable to swim, drowned, while his companion swam to safety. Coroner Chabonneau went down to Mercer Tuesday and took charge of the body and is endeavoring to get in touch with relatives of the man. He was about 24 years of age and was employed in one of the lumber camps near Mercer.—Hurley Miner.

**FOR SALE**—A first class mechanical foot starter, new, for Ford car for sale cheap. Inquire at this office.

### Notice of Hearing, Settlement and Assignment

State of Wisconsin, County Court for Oneida County.

Notice is hereby given that at a General term of county court to be held in and for said county, at court house in the city of Rhinelander in said county, on the first Tuesday, (being the 7th day) of December A. D. 1915, at 10 o'clock a. m., the following matters will be heard and considered:

The application of J. Segerstrom, administrator de bonis non of the estate of Hans Hanson late of the city of Rhinelander in said county, deceased, for the examination and allowance of his final account of his administration, and by assignment of the residue of the estate of Hans Hanson deceased, to such other persons as are by law entitled to the same.

By order of the Court:  
Dated Oct. 19, 1915.

H. F. STEELE, County Judge.  
A. J. O'MELIA, Attorney.  
021-N4

### State of Wisconsin, Circuit Court, Oneida County.

Robert Kuehn, Plaintiff,

vs.

John Paul, Leopoldina Paul, Mary J. Mecikelski, Towle & Larzelere, Ira Towle, E. F. Bergen, John Svama and First National Bank of Seymour, a corporation duly created, organized and existing under and by virtue of the laws of the State of Wisconsin, Defendants.

By virtue of a judgment of foreclosure and sale made in the above entitled action on the 28th day of September, 1914, the undersigned, Sheriff of Oneida County, State of Wisconsin, will sell at the front door of the court house in the city of Rhinelander, said county and state on the 1st day of December, 1915, at 3:00 o'clock in the afternoon of that day, the real estate and mortgaged premises directed by said judgment to be sold, and therein described as follows:

The North West quarter (NW 1/4) of the North West quarter (NW 1/4) of Section twenty-three (23), Township thirty-five (35), North of range eleven (11), east; and in the event said described tract of land does not bring sufficient at said sale to cover the amount of judgment with interest and costs to date then the South West quarter (SW 1/4) of the North West quarter (NW 1/4) of section twenty-three (23), Township thirty-five (35), North, Range eleven (11) east.

Terms of sale cash.

Dated September 30th, 1915.

CHAS. S. CROFOOT, Sheriff.

E. C. SMITH, Attorney for Plaintiff.

2 THAYER STREET

A new set of shock absorbers for automobile, for sale cheap. Inquire at this office.

**YOU bet the cops are wise to the little chew that satisfies—with a nibble of the Real Tobacco Chew tucked into their cheeks they are happy on their beats. No bunches to disfigure the face. The little chews mean the pouch lasts a long time and saves coin.**

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

**ASK YOUR DEALER FOR W-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW—CUT LONG SHRED.**

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you; then see how easily and evenly the real tobacco taste comes, how it satisfies, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is *The Real Tobacco Chew*. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

(Notice how the salt brings out the rich tobacco taste.)

**ARTHUR TAYLOR TO SPEAK**  
Arthur Taylor, Secretary of the Oneida County Agricultural Society, will deliver an address at the potato convention in Marinette. He has selected for his subject, "Standardizing Wisconsin Fair Premium Lists." Mr. Taylor is a good public speaker and his subject will prove one of interest.

J. D. Grandine of North Crandon was in the city Wednesday to attend the potato show.

**THEY WISH TO MARRY**  
Marriage licenses were issued this week to Vern Redfield and Minnie Swanson, Rhinelander; Ernest A. Gifford and Mrs. Belle Ebare, Rhinelander.

A good representation of people from the nearby county towns are expected in the city today to attend the Elks' minstrels. Three Lakes, Minocqua and Eagle River citizens will be here.

**FUR**—We specialize on children's fur sets from \$1.50 to \$8. Kolden's.

William Rowe returned from Woodruff Tuesday after spending several months there employed at the Wisconsin House.

There will be a basket social and hallowe'en party at the Lake George school Saturday night, Oct. 30. Ladies, please bring baskets with lunch for two and everybody come. Eunice Dailey, teacher.

### FIX SCHEDULE OF NEW RURAL ROUTES

Establish Two Free Delivery  
Routes Out Of City After  
December 1

Rural Route 1 will start at 7:30 a. m. from the postoffice and go south by Eugene Shepard's home; thence by McEachin's, Lake Julia and Gross's school house; thence turn to the right, cross the Wisconsin River and to the school house, known as the Crescent school; thence north to the corner of Lewis' farm; thence west across Crescent Creek, known as Ames' corner; thence north to Broomfield; thence west and northwest by Davis and Kellner's across the Soo railway tracks; thence southwesterly past Woodboro to Fisher's crossing; thence west to Schram's corner; thence northeast past Weiss' place and northeasterly to Schuppler's corner by the Sunset school house; thence east past Ames' corner to the Lewis corner; thence north past John Newbold to Cook's corner; thence northeasterly to the Hansen school house, known as the Hansen school corner; thence east and northeast to the postoffice, at 4 p. m.

Rural Route 2, established to take effect Dec. 1st, 1915, will start from the postoffice at 7:30 a. m. will go east by the fair grounds to Post's corner; thence north to the cemetery; thence east to Colman's corner; thence north to John Hickey's corner; thence east to the Emden school house, where Chas. Peterson, Chas. Gustafson, Jas. McGowan, Ed. Kaufman and William Kriess, who live east of there will erect boxes for the delivery of daily mail; thence retrace of the City Cemetery; thence southeasterly along the northwestern Right-of-way by the Rhinelander Box & Lbr. company's mill, past John Nyland's; thence southeasterly to the Peter Brusoe corner close to the Harbiger school, where Mr. Hughes and A. S. Tooley will erect boxes; thence south past John Schleissenger's and Mel Towne's to the Daily corner, where Mr. Towne and others will erect boxes; thence west across Pelican river to Smith's corner; thence south to Olson's corner; thence east past Olson's home to the corner known as Miller's corner, where road leads to the left to the Olson school, where Joe Bush, Herman Van Horn, Martin Olson, Nels Bergenson, John Ostrum, August Marks, Smith and Peter Gunderson will erect boxes; thence retrace to Smith's corner; thence west by the Pelican Town Hall to the Paderneck corner; thence south past Cuenin's home; thence southeasterly to the Lungrin corner; thence west 1-4 of a mile and north 1 mile to Hickson's corner; thence east to the Kranz corner and thence north by John Hess Barney Moran and Creamery to the Rhinelander postoffice at 3 p. m.

Each of the routes will have delivery on every day except Sundays and legal holidays.

Every family living along these routes is expected to erect a mail box at the closest point to his home. A sample box can be seen at the postoffice. Good steel boxes can be bought by the dozen for less than 50c apiece. Where two or more boxes are placed on either of these routes and there is no family living near, a large water-proof box should be erected for parcel post. Some people are under the impression that all parcel post comes from the large cities but to the credit of our local merchants, the Rhinelander postoffice sends out nearly as many packages as it receives.

These rural routes when established must be a help in building up the country, and the department expects all to co-operate to make it a success. All boxes will be numbered and the name should be plain and the post should be set now before the ground gets hard then those that will be obliged to move the leaded box will not delay the service.

### LEAGUE BOWLING IN FULL SWING

League bowling is now in full swing and many good scores have been rolled for the first two weeks standings of teams at the Lawrence alleys:

	GP	W	L	Per.
Hustlers	6	5	1	833
